— WHAT WE HEARD FROM YOU

Your business, *as you described it.*

So this proposal speaks to where you actually are — not a generic pitch.

THE MOVE

A new brokerage, premium focus

Newer, larger vessels and new builds — with the used inventory from your brokerage feeding your pipeline.

THE FLAGSHIPS

Evo 60 & VMG Puffin

The carbon-fibre Evo 60 catamaran and VMG's Scandinavian aluminium Puffin 42s & 50s — distinctive boats that deserve distinctive marketing.

TODAY'S CHANNELS

Paper & marina presence

Print advertising plus sponsorships and exclusive placement in members-only lounges at Yacht Haven Charlestown & BMS.

WHAT YOU WANT NEXT

THE OPPORTUNITY

Presence is good. *Precision* sells boats.

Print and marina placements build credibility with whoever happens to walk by. They can't choose *who* sees your Evo 60, and they can't tell you what worked.

Paid social closes both gaps — we put your exact listings in front of the exact buyer profile, in the cruising grounds and ZIP codes you choose, and report on every dollar.

◇ **Target by intent, not luck**

Reach people actively shopping large sail & power, not a random readership.

◇ **Geofence the right water**

Yacht clubs, marinas, boat shows and affluent ZIP codes — New England and beyond.

◇ **Creative from your own boats**

Your Evo 60 & Puffins become the ads — not stock imagery.

— WHAT WE SHOWED YOU • RECOMMENDED

Targeted Social Ads, the *lead engine*.

\$500

/ month · all-in

● LEAD GUARANTEE INCLUDED

The package you saw in our meeting — built so the only thing you have to think about is which lead to call back first. Month-to-month, no contract.

◇ **2 ongoing targeted ad campaigns**

Built and managed every month on Instagram & Facebook.

◇ **Buyer-intent & geofenced audiences**

Reaching high-net-worth buyers in the regions you choose.

◇ **Creative built from your listings**

Your Evo 60, Puffin 42 & 50, and brokerage inventory

— WHERE YOUR \$500 GOES

Simple, honest *math*.

Most of your budget goes to work you can see, and the rest is real media spend that goes straight to Meta — never marked up.

~\$300 builds & runs everything; \$200 is paid directly to Meta as ad spend.
At that level, we guarantee leads.

GUARANTEED

Leads land in your inbox — or we keep working at no extra cost until they do.

MONTHLY INVESTMENT · BREAKDOWN

Build & management

Website, content & ad creative, targeting, optimisation, and your human concierge — AI-powered.
