— WHAT WE HEARD FROM YOU

Your business, *as you described it.*

So this proposal speaks to where you actually are — not a generic pitch.

THE MOVE

A new brokerage, premium focus

Newer, larger vessels and new builds — with the used inventory from your brokerage feeding your pipeline.

THE FLAGSHIPS

Evo 60 & VMG Puffin

The carbon-fibre Evo 60 catamaran and VMG's Scandinavian aluminium Puffin 42s & 50s — distinctive boats that deserve distinctive marketing.

TODAY'S CHANNELS

Paper & marina presence

Print advertising plus sponsorships and exclusive placement in members-only lounges at Yacht Haven Charlestown & BMS.

WHAT YOU WANT NEXT

Targeted reach to HNW buyers

Precise targeting and geofencing to reach high-net-worth buyers — plus the short-form social you've already started building.

THE OPPORTUNITY

Presence is good. *Precision* sells boats.

Print and marina placements build credibility with whoever happens to walk by. They can't choose *who* sees your Evo 60, and they can't tell you what worked.

Paid social closes both gaps — we put your exact listings in front of the exact buyer profile, in the cruising grounds and ZIP codes you choose, and report on every dollar.

◇ **Target by intent, not luck**

Reach people actively shopping large sail & power, not a random readership.

◇ **Geofence the right water**

Yacht clubs, marinas, boat shows and affluent ZIP codes — New England and beyond.

◇ **Creative from your own boats**

Your Evo 60 & Puffins become the ads — not stock imagery.

◇ **Every dollar is measured**

Monthly reporting on spend, reach and leads. No more guessing.

— WHAT WE SHOWED YOU · RECOMMENDED

Targeted Social Ads, the *lead engine*.

\$500

/ month · all-in

● LEAD GUARANTEE INCLUDED

The package you saw in our meeting — built so the only thing you have to think about is which lead to call back first. Month-to-month, no contract.

- ◇ **2 ongoing targeted ad campaigns**
Built and managed every month on Instagram & Facebook.
- ◇ **Buyer-intent & geofenced audiences**
Reaching high-net-worth buyers in the regions you choose.
- ◇ **Creative built from your listings**
Your Evo 60, Puffin 42 & 50, and brokerage inventory.
- ◇ **Re-engagement of warm prospects**
We follow up with people who already showed interest.
- ◇ **Monthly performance reporting**
Reach, spend and leads — delivered by your concierge.

WHERE YOUR \$500 GOES

Simple, honest *math*.

Most of your budget goes to work you can see, and the rest is real media spend that goes straight to Meta — never marked up.

~\$300 builds & runs everything; \$200 is paid directly to Meta as ad spend. At that level, we guarantee leads.

GUARANTEED

Leads land in your inbox — or we keep working at no extra cost until they do.

MONTHLY INVESTMENT · BREAKDOWN

Build & management ~\$300

Website, content & ad creative, targeting, optimisation, and your human concierge — AI-powered.

Meta ad spend \$200

Paid directly to Instagram / Facebook as media — this is what activates the guarantee.

Total per month \$500

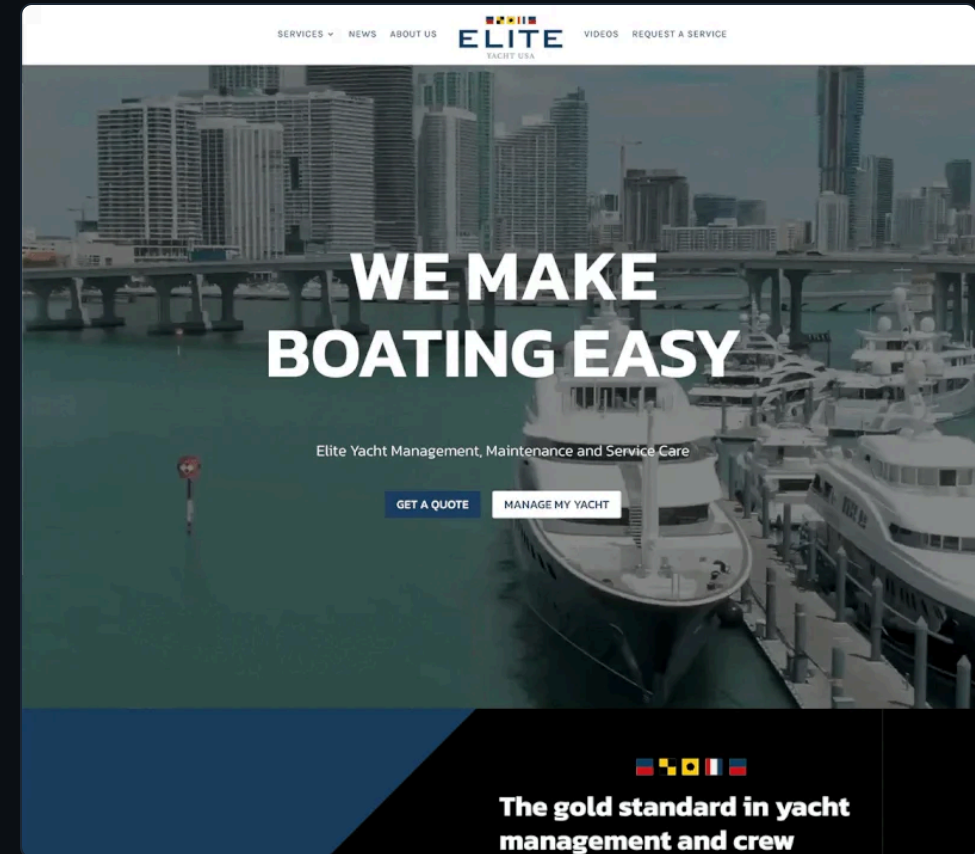

— YOUR OPTION · 01

A flagship *website* of your own.

\$99 / month · or part of the bundle

A custom broker site — no templates — that makes your new brokerage look as premium as the boats you sell, and captures leads around the clock.

- ◇ **Custom-designed broker site** & any-boat MLS feed
- ◇ **Listing showcase** — including off-market & co-brokerage
- ◇ **24/7 AI chat** trained on yachting, capturing every inquiry
- ◇ **Built for AI & search** — fully managed & hosted

A home base for the Evo 60, the Puffin range, and every listing your brokerage feeds you.

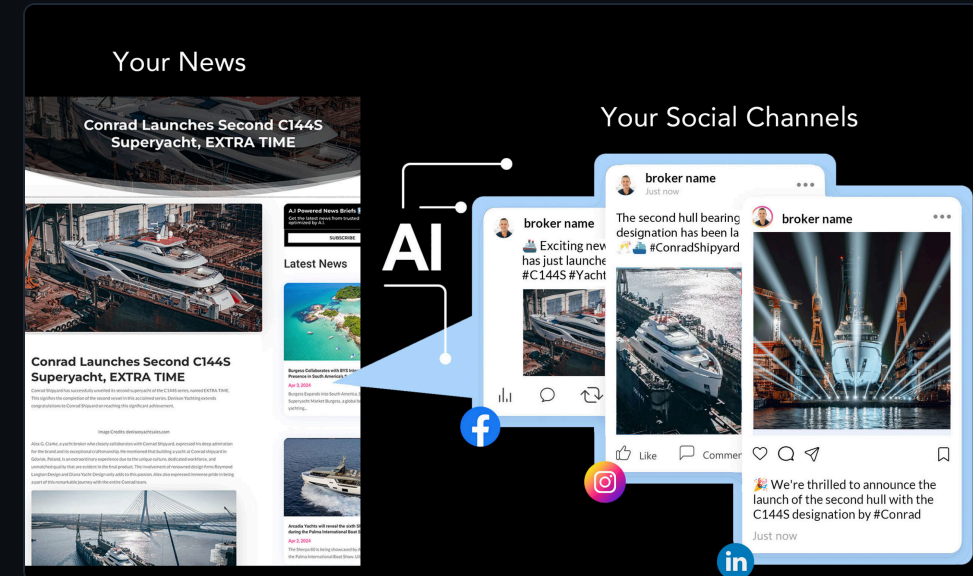

— YOUR OPTION · 02

Social media, *managed for you.*

\$99 / month · or part of the bundle

You've already started shooting short-form — this keeps the feed full without it ever landing back on your plate.

- ◇ **2 posts a week** — video reels & curated industry news
- ◇ **2 SEO articles a week** published to your site
- ◇ **AI captions & trending hashtags**, cross-posted to FB, IG, LinkedIn & X
- ◇ **A human concierge proofs & publishes** — nothing goes out unchecked

Stay top-of-mind between deals — and feed the same audiences your ads are warming up.

— CHOOSE YOUR ALTITUDE

Start with ads — or run the *whole engine*.

Every service is \$99/mo on its own. Run all three together with \$200/mo in Meta spend and your **Lead Guarantee** switches on — that's the \$500 all-in package.
